

# Supporter opportunities

Individuals can show commitment to advancing standards of ethical conduct in society by becoming Supporters of The Ethics Institute.

## What is The Ethics Institute?

The Ethics Institute is an independent public institute producing original thought leadership and offering a range of ethics-related products and services. Our vision is building an ethically responsible society.

## What does it mean to be a Supporter?

Supporters represent our network of friends, and associates who we hope will help us in achieving our vision. First and foremost, all Supporters make the following Pledge when they first sign up, and every year when they renew:

“I support The Ethics Institute’s vision of building an ethically responsible society by acting ethically and promoting ethics in my sphere of influence”.

While we require all Supporters to make this aspirational commitment, we do not police their adherence to it. It should therefore not be inferred that the conduct of any Supporter carries the stamp of ethical approval from The Ethics Institute.

## What are the benefits?

- Subscription to weekly news bulletin
- Subscription to monthly newsletter
- Discounts on events and training – including to those of TEI’s partner organisations
- Complimentary invitation to Annual Supporter Gathering (our chance to say, “thank you!”)
- Supporter’s Token – an engraved keyring to remind Supporters of their Pledge
- Opportunity to participate in Annual Masterclass Morning with our experts
- Annual certificates
- Milestone certificates to recognise loyalty upon joining, and after five, 10 and 15 years

## What is the Supporter fee?

Supporters are contacted every year to renew. The fee is for a 12-month period starting in April of each year. New Supporters who join during the year pay a pro-rata fee in the first year to align with the annual billing schedule.
