

# Improving Ethical Conduct in Organisations Workshop

Virtual: 23 May 2023, 13:00 - 16:00

The 'Improving Conduct in Organisations Workshop' will focus specifically on organisational ethics and how we go about improving ethical conduct in organisations. It is intended to be a practical session which extends beyond the theory and frameworks of ethics management.

Our experts will share their practical insights, tools and tips based on their rich experience around:

- how leaders can set the tone to improve ethical conduct;
- behavioural ethics and what are the drivers for influencing ethical conduct; and
- how can technology be used to assist in improving ethical conduct in organisations.

The workshop will provide an opportunity for knowledge-sharing, discussions and engagement around improving ethical conduct in organisations.
